The Housing Choice Voucher is attached to you as a tenant. The voucher stays with you when you move.

### How to Apply:

Apply through the housing authority when the waitlist opens.

Each housing authority has a distinct application process and the waitlists open at different times. For more specific details call the housing authority. Generally, the waitlist and lottery opens a few days a year. You submit a pre-application to be placed on the waitlist or in the lottery and if it is picked you submit a full application.

If picked for Section 8, you will be notified in writing so **make sure all of your contact information is up to date** throughout the whole process! If your contact changes, you will need to notify the housing authority directly

You may need to submit a new application every year. Call the housing authorities to follow up.
