Treatment Programs

ACUTE Center for Eating Disorders at Denver Health

866-750-2193

777 Bannock St. Denver, CO 80204

<https://www.acuteed.org/>

- Offers a specialized medical stabilization program for patients ages 15 and older who are too medically compromised to be accepted to traditional inpatient eating disorder treatment facilities. After initial stabilization at ACUTE, patients will continue treatment programs at traditional inpatient or residential programs.
 - In network with most private insurance plans; does not accept Medicaid or Medicare.

Children's Hospital of Denver, The Eating Disorders Treatment Program

720-777-6200

13123 E. 16th Ave. Aurora, CO 80045

<https://www.childrenscolorado.org/doctors-and-departments/departments/psych/programs/eating-disorders/>

- Offers comprehensive eating disorder specific outpatient and day treatment programs for children, adolescents, and young adults up to age 18.
 - Care focuses on the entire family and is designed to address the individual's and family's roles in recovery.

EDCare

303-771-0861

4100 E. Mississippi Ave. Suite 1300 Denver, CO 80246

<https://eatingdisorder.care/denver-co/>

- Offers various services for adults ages 18 and older, including partial hospitalization program (nearby apartment accommodations offered if needed), evening intensive outpatient program, and outpatient services. Also provides specialty programs, including elite athlete program, substance use disorder program, binge eating disorder program, and trauma program.
 - Accepts private insurance, Medicaid, Colorado TriCare, and self-pay (sliding-fee scale based on income); Do not accept Medicare or Champus.
- Provides outpatient support groups; participants must provide proof they are seeing an outpatient therapist, be over age 18, and complete a prescreen prior to starting group.

Eating Recovery Center

1-866-750-1137

7351 E. Lowry Blvd. Ste. 200 Denver, CO 80230

<https://www.eatingrecoverycenter.com/recovery-centers/denver>

- Offers inpatient, residential, partial hospitalization, intensive outpatient, and outpatient care for adults, adolescents, and children.
 - Accepts private insurance and may accept Medicaid on a case by case basis.
