The President introduced Jeffco Crime Prevention Deputy Mark Bybee and Patrol Commander Kevin Bost. Kevin Bost, kbost@jeffco.us provided a great deal of helpful information about crime, Fire evacuation and the new Lookout Alert System and answered questions for an hour. Jeffco's 5-page explanation of LookoutAlert FAQ is attached to these minutes.

Crime-on increase, number one crime is fraud/ID theft. 58 frauds in our area. Colorado is #1 in car theft. Put car in garage, lock and do not leave valuables in sight. Deter crime with motion lights, alarms with signs, dogs, and cameras. "Flushing" of Lookout Mt. Road is done nightly with patrol cars. Was able to stop 3 stolen vehicles at the bottom of Lookout Mountain with Flock cameras. Only the sheriff is allowed to see the photos taken by this camera.

Evacuation- LookoutAlert (LookoutAlert.co) replaces CODE RED

Check to make sure your cell and land line phones are entered into the LookoutAlert system. CodeRed will shut down at the end of June '22. You should also fill out your profiles in SMART 911.

"Be Your Own Hero". DO NOT WAIT FOR NOTIFICATION TO LEAVE if you see fire or smoke near you.

Get your "Go Bag" ready with clothes, medicines, and key documents in advance.

The sheriff oversees evacuation and will quickly share fire information on LookoutAlert (the new equivalent to the CodeRed system), Facebook & Twitter. You do not need a twitter account to access the info "Jeffco Sheriff twitter". Clear fire maps will be available. Alerts come

from the Sheriff's Office → JeffCom (County dispatch) --> distributed to a polygon that describes the area --> should be calling phones & sending text messages. Mapping has recently been upgraded to a strong GPS system.

"Strike Teams" will get to the fire within 30 minutes and will no longer wait to call for evacuation if high fire danger.

REMINDER: National Night Out is returning this year, 2nd Tuesday in August.

Website and CARE business cards with website www.carejeffco.org

Thank you to the HOAs who have paid the annual \$100 dues in 2022

CODY PARK

CARE's Bylaws established that each HOA should pay \$100 dues annually.

Please send dues to Bonnie Saxton, 52 Paradise Rd, Golden with a note as to the HOA sending the dues.

Treasurer's Report provided in writing by Bonnie Saxton with 3 year transaction log.

Tax returns filed for 2019-2021.

Bank Balance \$2,434.15.

2022 Income -\$100 check for \$100 annual dues from Cody Park.

2022 Itemized Expenses Year to date \$120 to IRS for 2019-2021 filing fees.

Reimbursement to Bonnie Saxton for \$155.88 Go Daddy took from her credit card for CARE website.

4. Delegate Reports

Genesee Crossing: Short term rental decision - no covenant changes. Problems with trash and waste and overnight visitors at the CDOT lots.

Pine Tree: n/a

Mount Vernon Country Club (Andrew Price): recent crime turned out to be "an internal problem"; forest management will continue through the summer.

Pine Crest (Dave Hammond): utility pole replacement problems (smoking transformers, heavy equipment damage).

Lookout Mtn Crest: John and Pam Williams hope to finish road paving in June; John offered to help with grant writing; Pam wants a fully-funded, year-round slash dump site or two in Jeffco.

Spring Ranch: first time at a CARE meeting for the new delegate: they protested an STR (Short Term Rental) application, but the BOA approved, indicated that unless the HOA covenants disallowed STRs, they had to approve as long as the STR application met current standards; working hard on fire mitigation and evacuation routes.

Genesee (Chris Garlasco from the Genesee Fire Safety Committee and Rick Sarg): working through all wildfire mitigation issues, building a fire safety matrix. Commented that everyone seems to be operating in silos and thanked CARE for trying to pull together the various communities. Need to pull Evergreen and CARE together to push back against Xcel's reluctance to cooperate.

Cody Park (Michelle Poolet): just had a multi-family yard sale, working on creating a community SLASH event. Renting chippers to deal with local slash to avoid hauling.

5. Committee Reports

Wildfire-Dave Hammond- CARE Wildfire Committee met May 5: tasks
Communication: sharing resources already available through the county and elsewhere;
Grant Investigation to help with mitigation efforts;
Open to any community volunteers.

Special Presenter:

Jenn Corbett (former wildland firefighter, now publisher of Best Version Media Foothills Living Magazine. jcorbet@bestversionmedia.com)
